

## *Sponsorship Proposal*

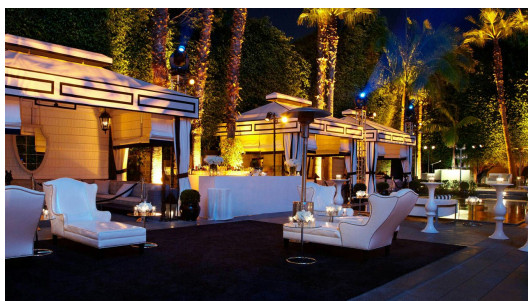

Founder Meet Funder

We are contacting your company regarding a unique sponsorship opportunity. Founder Meet Funder focus on supporting early stage entrepreneur growth by networking to connect them with Influencer and Innovator, and investors within the startup community.

L.A Tech market is growing fast and opportunity will be to brand out your service and product to the brightest Startup entrepreneur at our networking events. Our goal is to create a networking atmosphere with some of the biggest names within the business ecosystem. There will be only limited number of sponsors due to the reason that if there are too many sponsors at any particular event, then there will be less limelight for the sponsors. As Sponsors, you will benefit by being able to appeal to all these groups together and with their own network of people,
